Will you please add this resolution of support to next Tuesday's agenda? Sorry about short notice but want it on after negative DNT article and before public hearing at the end of the month.

Thanks

**RESOLUTION BY THE**  
Northern Wisconsin Building and Construction Trades Council

**SUBJECT: Support for Nemadji Trail Energy Center (NTEC)**

**WHEREAS**, the City of Superior, WI Common Council desires to further economic development in the City of Superior, Douglas County by providing job opportunities for residents, reducing unemployment, preserving and stabilizing business activities within the City of Superior, Douglas County for the benefit and welfare of residents; and

**WHEREAS**, the Northern Wisconsin Building and Construction Trades Council has been actively involved in economic development in order to improve the economic well-being of its citizens and members of the Northern Wisconsin Building and Construction Trades Council; and

**WHEREAS**, the formation of the Nemadji Trail Energy Center (NTEC) will provide the needed power when renewable energy is not readily available while producing less carbon emissions compared to traditional fuel sources currently being utilized. Furthermore, Minnesota Power (an ALLETE Company) has committed to use the highest quality and safest workforce locally available for construction; and

**WHEREAS**, the project will create 260 family-sustaining jobs during peak construction, and will support 175 jobs when fully operational; and

**WHEREAS**, the Nemadji Trail Energy Center will be the largest private venture in the history of the City of Superior, Douglas County, WI, with an investment of over one billion dollars; and

**WHEREAS**, the City of Superior and Douglas County will share over \$2 million annually in increased revenue and fees for hosting the facility; and

**NOW, THEREFORE, BE IT RESOLVED** that the City of Superior, WI Common Council fully supports the Nemadji Trail Energy Center (NTEC) and its partners, Minnesota Power (an ALLETE company) and Dairyland Power Cooperative, mission to increase renewable energy resources and reducing carbon emissions.

D That NTEC resolution  
should read 25 full time  
employees Will you  
please change?  
Thanks

Instead of 175?

D Yes Goofy mistake I  
don't want to include  
vendors and service  
providers of MN Power

9:24 AM

9:26 AM

Well, it's already out there  
everywhere. I can just  
mention of the floor that  
it is corrected

D That's fine I can too
